ClipCard device markers in MultiCard format are used for labelling electrical installations and switchgear systems, and offer an interesting alternative to engraving. Thanks to the proven MultiCard format, labelling is possible with PrintJet PRO, the MCP Plus plotter, MCP Basis and MC-Mobilo.

- Highly resistant printing quality when using the PrintJet as a substitute for engraving
- Universal fixing
- Carrier (screwable or with cable ties)
- Tag rail (self-adhesive or screw fixing)
- Or self-adhesive tags

For custom printing: Please send us a file of our labeling software M-Print PRO or M-Print PRO Online (without installation) for your labeling specifications.

Please note that these markers are not intended for printing with the SpeedMarking laser.

General ordering data

Type	CC 85/54 K MC NE WS
Order No.	1138430000
Version	ClipCard, Device markers, 85 x 54 mm, White
GTIN (EAN)	4032248919925
Qty.	10 pc(s).
compatible printer	1324380000
