

Heatsink for ROCK Pi 4

SKU 114991989

This is an aluminum heatsink kit used for cooling the ROCK Pi 4.

With CNC machining, specially customized for ROCK Pi 4.

Comparing to other heat sinks, it has been attached with thermal conductive silicone, allowing the ROCK Pi 4 to cool more efficiently.

Part List :

1 x Heat sink

4 x Screws

4 x Copper Bolts
