SIEMENS

Data sheet

3SU1030-5BL51-0AA0-Z Y15

key-operated switch Siemens, 22 mm, round, plastic with metal front ring, lock number SSG10, with 2 keys, 3 switch positions I-O-II, latching, actuating angle $2x45^{\circ}$, 10:30h/12h/13:30h, key removal O+I, with laser labeling, upper case and lower case, always upper case at the beginning of the word

product designation Key-operated switches design of the product Actuating/signaling element product type designation 3SU1 product line Plastic with metal front ring, matt, 22 mm manufacturer's article number of included key 3SU1950-0F280-0AA0 Actuator principle of operation of the actuating element principle of operation of the actuating element latching, 2x45° (10:30 h/12 h/13:30 h) product extension optional light source No color of the actuating element shape of the actuating element silver material of the actuating element 29.5 mm marking of the actuating element Any inscription, text in upper/lower case, all words begin with upper case letters number of switching positions 3 switch position for key distraction O+I actuating angle 45° e anticlockwise 45° of the front ring Standard material of the front ring	product brand name	SIRIUS ACT
design of the product Actuating/signaling element product type designation 35U1 product line Plastic with metal front ring, matt, 22 mm manufacturer's article number of included key 25U1950-0FP80-0AA0 Actuator principle of operation of the actuating element principle of operation of the actuating element latching, 2x45° (10:30 h/12 h/13:30 h) product extension optional light source No color of the actuating element material of the actuating element metal shape of the actuating element Key outer diameter of the actuating element Ary inscription, text in upper/lower case, all words begin with upper case letters anumber of switching positions switch position for key distraction O+1 actuating angle 45° e lockwise 45° e lockwise 45° lock make Siemens key number SSG10 product component front ring Yes genal of the front ring Standard material of the front ring Standard color of the front ring Standard material of the front ring <th></th> <th></th>
