

Notes :

Material :

Shell : Standard Brass
Clip : Beryllium Copper

Finish :

83 : Clip $0,75\mu\text{m}$ ($30\mu'$) Gold over Ni,
Shell $5\mu\text{m}$ ($200\mu'$) Tin over Ni
For other plating configuration please consult.

Electrical :

Clip code 4010
Rated current 20 Amps
Contact resistance max. 15 milliohms

Mating Pin Size :

2,00mm - 2,45mm [.078' - .096']

Environmental :

Temperature range : -55°C to $+125^\circ\text{C}$

Mechanical :

Recommended PCB Mounting hole 1,5 mm [.059']
Mechanical life min. 500 cycles

For complete mechanical and electrical specification, see CLIP Specification regarding Clip Code Number.
