

EMC surge suppression module, RC element, 400 V, 50 / 60 Hz, 7.5 kW, for motor contactors Size S00

| General technical data                        |    |                               |
|---|----|-------------------------------|
| product brand name                            |    | SIRIUS                        |
| product designation                           |    | EMC suppression module        |
| design of the surge suppressor                |    | with RC elements              |
| Control circuit/ Control                      |    |                               |
| type of voltage of the control supply voltage |    | AC                            |
| control supply voltage frequency              |    |                               |
| • 1 rated value                               | Hz | 50                            |
| • 2 rated value                               | Hz | 60                            |
| control supply voltage 1                      |    |                               |
| • at AC                                       |    |                               |
| — at 50 Hz rated value                        | V  | 400                           |
| — at 60 Hz rated value                        | V  | 400                           |
| Certificates/ approvals                       |    |                               |
| certificate of suitability                    |    | CE / UL / CSA                 |
| General Product Approval                      |    | EMC Declaration of Conformity |
