## **SIEMENS**

## **Data sheet**

Coordinate switch, 22 mm, round, plastic, black, 2 switch positions, vertical, momentary contact type, without mechanical interlocking, with laser labeling, upper case

| product brand name                                     | SIRIUS ACT                          |
|--|-------------------------------------|
| product designation                                    | Coordinate switches                 |
| design of the product                                  | Actuating/signaling element         |
| product type designation                               | 3SU1                                |
| product line   | Plastic, black, 22 mm               |
| Enclosure  |                                     |
| number of command points                               | 1                                   |
| Actuator   |                                     |
| design of the actuating element                        | without mechanical interlock        |
| principle of operation of the actuating element        | momentary contact type              |
| direction of actuation                                 | vertical                            |
| product extension optional                             |                                     |
| • light source   | No                                  |
| contact module   | Yes                                 |
| color of the actuating element                         | black                               |
| material of the actuating element                      | plastic                             |
| shape of the actuating element                         | Extended handle                     |
| outer diameter of the actuating element                | 30.5 mm                             |
| marking of the actuating element                       | Any inscription, text in upper case |
| number of switching positions                          | 2                                   |
| Maximum deflection angle [°]                           | 30°                                 |
| Front ring   |                                     |
| product component front ring                           | Yes                                 |
| design of the front ring                               | high                                |
| material of the front ring                             | plastic                             |
| color of the front ring                                | black                               |
| General technical data                                 |                                     |
| protection class IP                                    | IP65, IP67                          |
| degree of protection NEMA rating                       | 1, 2, 3, 3R, 4, 4X, 12, 13          |
| shock resistance                                       |                                     |
| according to IEC 60068-2-27                            | sinusoidal half-wave 15g / 11 ms    |
| vibration resistance                                   |                                     |
| according to IEC 60068-2-6                             | 10 500 Hz: 5g                       |
| operating frequency maximum                            | 2 400 1/h                           |
| mechanical service life (switching cycles)             |                                     |
| as operating period per direction of actuation typical | 500 000                             |
| reference code according to IEC 81346-2                | S                                   |
| Substance Prohibitance (Date)                          | 10/01/2014                          |
| Safety related data                                    |                                     |

| B10 value with high demand rate according to SN 31920           | 250 000  |
|---|--|
| proportion of dangerous failures                                |  |
| <ul> <li>with low demand rate according to SN 31920</li> </ul>  | 20 %   |
| <ul> <li>with high demand rate according to SN 31920</li> </ul> | 20 %   |
| failure rate [FIT] with low demand rate according to SN 31920   | 100 FIT  |
| Ambient conditions  |  |
| ambient temperature   |  |
| <ul> <li>during operation</li> </ul>                            | -25 +70 °C   |
| during storage  | -40 +80 °C   |
| environmental category during operation according to IEC 60721  | 3M6, 3S2, 3B2, 3C3, 3K6 (with relative air humidity of 10 95%) |
| Installation/ mounting/ dimensions                              |  |
| height  | 30.5 mm  |
| width   | 30.5 mm  |
| shape of the installation opening                               | round  |
| mounting diameter   | 22.3 mm  |
| positive tolerance of installation diameter                     | 0.4 mm   |
| mounting height   | 71.3 mm  |
| installation width  | 30.5 mm  |
| installation depth  | 25.6 mm  |
| Certificates/ approvals   |  |
