**Specification**

- Aluminum
  - Powder coated
  - Black, RAL 9005, textured finish
  - Silver, RAL 9006, textured finish
- Cover cap (Type C)
  - Plastic
  - Black (for SW)
  - Light gray (for SR)
- Load Rating Information → page 2068
- RoHS compliant

**Information**

GN 559 open-end or closed-end type cabinet / door handles are mainly used in applications requiring a sturdy and rugged grip.

A special characteristic of the GN 559 is the thumb rest pad on the front leg.

Because of the dual mounting holes, there is a choice of two center hole mountings on the closed-end handle. Due to the dual mounting holes on the open-end handle, the handle is secured tightly into position after installation.

**On request**

- Various metric size fasteners and kit packaging
