## SIEMENS

## Data sheet

## 3RV2011-1BA20

Circuit breaker size S00 for motor protection, CLASS 10 A-release 1.4...2 A N-release 26 A Spring-type terminal Standard switching capacity

| product brand name   | SIRIUS               |
|--|----------------------|
| product designation  | Circuit breaker      |
| design of the product  | For motor protection |
| product type designation   | 3RV2                 |
| General technical data   |                      |
| size of the circuit-breaker  | S00                  |
| size of contactor can be combined company-specific                                     | S00, S0              |
| product extension auxiliary switch   | Yes                  |
| power loss [W] for rated value of the current  |                      |
| <ul> <li>at AC in hot operating state</li> </ul>                                       | 7.25 W               |
| <ul> <li>at AC in hot operating state per pole</li> </ul>                              | 2.4 W                |
| insulation voltage with degree of pollution 3 at AC rated value                        | 690 V                |
| surge voltage resistance rated value   | 6 kV                 |
| shock resistance according to IEC 60068-2-27   | 25g / 11 ms          |
| mechanical service life (switching cycles)   |                      |
| <ul> <li>of the main contacts typical</li> </ul>                                       | 100 000              |
| <ul> <li>of auxiliary contacts typical</li> </ul>                                      | 100 000              |
| electrical endurance (switching cycles) typical  | 100 000              |
| type of protection according to ATEX directive 2014/34/EU                              | Ex II (2) GD         |
| certificate of suitability according to ATEX directive 2014/34/EU                      | DMT 02 ATEX F 001    |
| reference code according to IEC 81346-2  | Q                    |
| Substance Prohibitance (Date)  | 10/01/2009           |
| Ambient conditions   |                      |
| installation altitude at height above sea level maximum                                | 2 000 m              |
| ambient temperature  |                      |
| <ul> <li>during operation</li> </ul>   | -20 +60 °C           |
| <ul> <li>during storage</li> </ul>   | -50 +80 °C           |
| <ul> <li>during transport</li> </ul>   | -50 +80 °C           |
| relative humidity during operation   | 10 95 %              |
| Main circuit   |                      |
| number of poles for main current circuit   | 3                    |
| adjustable current response value current of the<br>current-dependent overload release | 1.4 2 A              |
| operating voltage  |                      |
| rated value  | 20 690 V             |
| <ul> <li>at AC-3 rated value maximum</li> </ul>  | 690 V                |
| <ul> <li>at AC-3e rated value maximum</li> </ul>                                       | 690 V                |
|  |                      |

| operating frequency rated value  | 50 60 Hz         |
