## **SIEMENS**

## **Data sheet**

Illuminated pushbutton, 22 mm, round, plastic with metal front ring, blue, pushbutton, flat, momentary contact type, with holder, 1NO, LED module with integrated LED 110 V AC, screw terminal, Z=20-unit packaging

| product brand name   | SIRIUS ACT                                 |
|--|--|
| product designation  | Illuminated pushbuttons                    |
| design of the product  | Complete unit                              |
| product type designation                                     | 3SU1                                       |
| product line   | Plastic with metal front ring, matt, 22 mm |
| manufacturer's article number                                |  |
| <ul> <li>of supplied contact module at position 1</li> </ul> | 3SU1400-1AA10-1BA0                         |
| <ul> <li>of supplied LED module</li> </ul>                   | 3SU1401-1BC50-1AA0                         |
| <ul> <li>of the supplied holder</li> </ul>                   | 3SU1550-0AA10-0AA0                         |
| of the supplied actuator                                     | 3SU1031-0AB50-0AA0                         |
| number of command points                                     | 1  |
| Actuator   |  |
| design of the actuating element                              | Button, flat                               |
| principle of operation of the actuating element              | momentary contact type                     |
| product extension optional light source                      | Yes  |
| color of the actuating element                               | blue                                       |
| material of the actuating element                            | plastic                                    |
| shape of the actuating element                               | round                                      |
| outer diameter of the actuating element                      | 29.45 mm                                   |
| number of contact modules                                    | 1  |
| Front ring   |  |
| product component front ring                                 | Yes  |
| design of the front ring                                     | Standard                                   |
| material of the front ring                                   | Metal, matt                                |
| color of the front ring                                      | sand gray                                  |
| Holder   |  |
| material of the holder                                       | Plastic                                    |
| Display  |  |
| number of LED modules  | 1  |
| General technical data                                       |  |
| product function positive opening                            | No   |
| product component light source                               | Yes  |
| insulation voltage rated value                               | 320 V                                      |
| degree of pollution  | 3  |
| type of voltage of the operating voltage                     | AC/DC                                      |
| surge voltage resistance rated value                         | 4 kV                                       |
| protection class IP  | IP66, IP67, IP69(IP69K)                    |
| of the terminal  | IP20                                       |
| degree of protection NEMA rating                             | 1, 2, 3, 3R, 4, 4X, 12, 13                 |

| shock resistance   |   |
|--|---|
| • according to IEC 60068-2-27  | sinusoidal half-wave 15g / 11 ms  |
| for railway applications according to EN 61373   | Category 1, Class B   |
| vibration resistance   |   |
| <ul> <li>according to IEC 60068-2-6</li> </ul>   | 10 500 Hz: 5g   |
| for railway applications according to EN 61373   | Category 1, Class B   |
| operating frequency maximum  | 3 600 1/h   |
| mechanical service life (switching cycles) typical   | 3 000 000   |
| electrical endurance (switching cycles) typical  | 10 000 000  |
| thermal current  | 10 A  |
| reference code according to IEC 81346-2  | S   |
| continuous current of the C characteristic MCB   | 10 A; for a short-circuit current smaller than 400 A  |
| continuous current of the quick DIAZED fuse link   | 10 A  |
| continuous current of the DIAZED fuse link gG  | 10 A  |
| Substance Prohibitance (Date)  | 10/01/2014  |
| operating voltage  |   |
| • at AC  |   |
| — at 50 Hz rated value   | 5 500 V   |
| — at 60 Hz rated value   | 5 500 V   |
| <ul> <li>at DC rated value</li> </ul>  | 5 500 V   |
| Power Electronics  |   |
