
FORGED CRIMPER

WITH STRIPPING AND CUTTING

Combining Durability, Strength and Functionality

FORGED CRIMPER WITH STRIPPING AND CUTTING

Combines the most commonly used wire stripping sizes with a dedicated crimper and two cutters. Made of forged steel for added durability.

Specially hardened wire cutter in the nose

Crimps 10-22 AWG insulated and non-insulated terminals and connectors

Shear Cutter below the rivet cuts copper wire

Strips 10-18 AWG stranded wire

Textured Grips for enhanced dexterity and integrated hang holes
