| <ul> <li>of the supplied holder</li> </ul>                   | 3SU1550-0AA10-0AA0                  |  |
| <ul> <li>of the supplied actuator</li> </ul>                 | 3SU1051-0AB60-0AA0                  |  |
| number of command points                                     | 1                                   |  |
| Actuator   |                                     |  |
| design of the actuating element                              | Button, flat                        |  |
| principle of operation of the actuating element              | momentary contact type              |  |
| product extension optional light source                      | Yes                                 |  |
| color of the actuating element                               | white                               |  |
| material of the actuating element                            | plastic                             |  |
| shape of the actuating element                               | round                               |  |
| outer diameter of the actuating element                      | 29.45 mm                            |  |
| marking of the actuating element                             | Any inscription, text in upper case |  |
| number of contact modules                                    | 1                                   |  |
| Front ring   |                                     |  |
| product component front ring                                 | Yes                                 |  |
| design of the front ring                                     | Standard                            |  |
| material of the front ring                                   | Metal, high gloss                   |  |
| color of the front ring                                      | silver                              |  |
| Holder   |                                     |  |
| material of the holder                                       | Plastic                             |  |
| Display  |                                     |  |
| number of LED modules  | 1                                   |  |
| General technical data                                       |                                     |  |
| product function positive opening                            | Yes                                 |  |
| product component light source                               | Yes                                 |  |
| insulation voltage rated value                               | 320 V                               |  |
| degree of pollution  | 3                                   |  |
| type of voltage of the operating voltage                     | AC/DC                               |  |
| surge voltage resistance rated value                         | 4 kV                                |  |
| protection class IP  | IP66, IP67, IP69(IP69K)             |  |
| of the terminal  | IP20                                |  |

| degree of protection NEMA rating  | 1, 2, 3, 3R, 4, 4X, 12, 13   |
|---|--|
| shock resistance  |  |
| according to IEC 60068-2-27   | sinusoidal half-wave 15g / 11 ms   |
| vibration resistance  |  |
| according to IEC 60068-2-6  | 10 500 Hz: 5g  |
| operating frequency maximum   | 3 600 1/h  |
| mechanical service life (switching cycles) typical  | 3 000 000  |
| electrical endurance (switching cycles) typical   | 10 000 000   |
| thermal current   | 10 A   |
| reference code according to IEC 81346-2   | S  |
| continuous current of the C characteristic MCB  | 10 A; for a short-circuit current smaller than 400 A   |
| continuous current of the quick DIAZED fuse link  | 10 A   |
| continuous current of the DIAZED fuse link gG   | 10 A   |
| Substance Prohibitance (Date)   | 10/01/2014   |
| operating voltage   |  |
| • at AC   |  |
| — at 50 Hz rated value  | 5 500 V  |
| — at 60 Hz rated value  | 5 500 V  |
| at DC rated value   | 5 500 V  |
| Power Electronics   |  |
|   | One maloperation per 100 million (17 V, 5 mA), one maloperation per 10   |
| contact reliability   | million (5 V, 1 mA)  |
| Supply voltage  | (0 1, 1)   |
| type of voltage of the supply voltage of the light source   | AC   |
|   | AC   |
| supply voltage of the light source at AC  | 440.1/   |
| at 50 Hz rated value  | 110 V  |
| at 60 Hz rated value  | 110 V  |
| Control circuit/ Control  |  |
| inrush current of LED module maximum  | 3 A  |
