

About Phone Stand Mount for Desk Black

1. **Multi-purpose phone stand:**The 5 Core overhead phone stand holder is designed to accommodate a wide range of smartphones. Ideal for activities such as watching movies, reading news, streaming, podcasting, and more.
2. **Fully 360 Adjustable:**A universal phone clip holder is extendable, 180-degree adjustable, and 360-degree rotatable suspension scissor arm; you can adjust the angle and height to suit different applications.
3. **Double-braced arms:**The tabletop phone mount features double-braced arms with suspension springs on each boom arm, making it sturdier and more durable without shaking or dropping.
4. **Easy to install and remove:**The cell phone clip holder has a strong clamp to hold your phone securely. It has an anti-scratch-resistant soft padding. This mount is perfect for holding the phone up to 6.5 inches.
5. **Tablet Stand Desk Mount:**The overhead phone mount stand has a sturdy heavy round base that allows for perfect and firm attachment of the phone stand arm. You do not need to clamp anything to the desk, and the round base can also be used as a cup holder!

Product Description

5 Core phone mount for desktop is the ultimate accessory for anyone who loves hands-free phone use. Its double-braced arms and suspension springs on each boom arm make it sturdier and more durable than others, without shaking or dropping. The flexible scissor arm in the overhead video stand offers adjustability and allows for easy customization of position and shape to suit your every need.

The phone stand is versatile and ideal for use in any desk, home, office, kitchen, or studio. Keep your phone within reach and perfectly positioned for an immersive experience. Take advantage of this must-have accessory for effortless phone use.

At 5 Core, Customer satisfaction is our priority ??a proven track record of delivering the highest quality product since 1984.

Q&A

Question:What size devices can this phone stand to hold?

Answer:The overhead phone stand holds smartphones up to 6.5 inches.

Question:Can this mount be used with a protective case on my device?

Answer:Yes, as long as the case's thickness is within the mount's maximum clamp range.

Question:Will the mounting damage my phone?

Answer:No, our phone mount comes with soft rubber padding, which safely holds the phone.

Question:Can I carry the overhead video stand?

Answer:Of course you can! The phone stand is foldable, making it easy to carry and store.

Question:How do I adjust the viewing angles and height of the mount?

Answer:Our phone mount for desktops comes with a flexible scissor arm that allows you to adjust to any position and shape you need. The ball joint and rotating pole also provide 360 degree rotation for customized viewing angles.
