Drum Throne with Saddle Seat- Comfort & support for drumming at its finest

About Item

1. **Comfortable and Durable:** With its motorcycle seat shape and well-cushioned sponge, the saddle drum throne offers comfort and free leg movement while drumming. The high-quality memory sponge ensures the drum stool maintains its shape even after prolonged use.
2. **Solid Foundation:** The drum seat boasts a sturdy metal double-braced leg base and three large rubber feet, providing a solid foundation that prevents the stool from moving or scratching the floor. It can support a weight of up to 275 pounds.
3. **Height Adjustment:** Adjusting the height of the saddle drum throne is a breeze with its center post spindle and memory lock. You can easily find a comfortable height for drumming, as the height is adjustable from 18 to 23.6 inches.
4. **Thickened Locking System:** Upgraded with friction knobs, the drum throne's locking system makes it easy and quick to adjust or lock the height. The friction knobs also ensure that the stool doesn't slide down or wobble during drumming.
5. **Flexible and Portable:** The drum throne comes with a user manual. You can easily assemble the throne for playing, dismantle it to save space, or take it with you on the go.

5 CORE

DISPERSE SPINE PRESSURE

Height Adjustable & Durable Locks

Unique black leather look gives Starfavor drum throne a characteristic, and will definitely light up your setup.

Ergonomics Design & Memory Foam

Heavy Duty Drum Throne with Backrest

Product Description

The 5 Core drum throne is perfect for any drummer's setup. With its comfortable and durable design, you will be able to drum for hours without any discomfort. The motorcycle seat shape and well-cushioned sponge allow free leg movement, giving you more flexibility while playing. The high-quality memory sponge ensures that the drum stool maintains its shape over time, even after prolonged use.

You can easily adjust the height of the saddle drum throne to find a comfortable height for drumming. The friction knobs make it easy to lock the height and prevent the drum chair from sliding down or wobbling. Additionally, the drum throne is flexible and portable, allowing you to assemble or dismantle it for storage and travel easily.

At 5 Core, Customer satisfaction is our priority—a proven track record of delivering the highest quality product since 1984.

Features

Motorcycle Style Seat	Professional Stand	Oversized Anti-slip Pad	Swivel height adjustable
Experience superior comfort with our drum throne's motorcycle-style seat, which is ergonomic and filled with memory foam. Thanks to its comfort, you can play for long periods without getting tired.	Our drum throne features reliable support, always ensuring stability while playing in venues or practicing in the studio. It's safe to use & can accompany drummers for a long time.	With the large anti-slip rubber pad on the market, our drum throne's oversized pad offers excellent slip resistance and floor protection. It provides the most stable support during intense performances.	From 18in to 23.6in, you can rotate the throne to adjust the height more specifically instead of fixed height steps.
