## APTZ-3045-09

- Rugged outdoor 30x PTZ camera
- High-definition 1080p
- 316L stainless steel
- Designed for environments classified as hazardous
- Certified Class I Division 1

### Rugged, IP HD video camera for hazardous environments

The APTZ-3045-09 is a high quality, high-definition color video camera with outstanding low-light performance. The camera has a 30x motor-driven optical zoom and delivers 1080p HD video. This high performance camera automatically switches to black and white and

removes an IR cut filter to increase sensitivity in low light conditions.

The camera is housed in a 316L stainless-steel enclosure certified for Class I Division 1, groups B, C, and D. The camera only requires power and an IP connection.
