

This product supports 4K 60 Hz 4:4:4 subsampling for HDR televisions. To ensure optimal performance,

check the factory default settings on your TV.

- Frequency (Hz) should be set to 60 Hz
- · HDR feature should be enabled
- HDMI input settings should be set to 2.0
- UHD Deep Color should be set to ON

DisplayPort to HDMI over Cat6 Extender Kit, Transmitter/Receiver, 4K 60 Hz, HDR, PoC, 125 ft., TAA

MODEL NUMBER: B127-1A1-DH

Transmitter/receiver kit extends a 4K DisplayPort signal via Cat6 cable to an HDMI projector, monitor or HDTV up to 125 ft. away.

Features

DP to HDMI Extender for Digital Signage or Displaying Video in Schools or Trade Show BoothsThis complete transmitter and receiver system is recommended for video presentations in conference rooms, schools, trade shows, meeting facilities, houses of worship, retail settings and digital signage applications where the source and display are farther apart than conventional A/V cables allow. The B127-1A1-DH extends 4K video and stereo audio signals from a DisplayPort (DP) source device to an HDMI display up to 125 feet (38.1 meters) away via user-supplied Cat6 cabling.

Transmits Crystal-Clear 4K HDMI Video with Multi-Channel Audio, HDR and 4:4:4 ColorThe B127-1A1-DH supports Ultra HD video resolutions up to 4K x 2K (3840 x 2160) at 60 Hz, as specified in HDMI 2.0, with full, rich uncompressed DTS-HD, Dolby AC-3 and 8-channel LPCM digital audio. Built-in equalization automatically fine-tunes the image quality at the remote display with no time-consuming manual fiddling needed. High Dynamic Range (HDR) provides a wide range of vibrant colors with richer contrast, brighter whites and deeper blacks that pop on your 4K display. This unit also supports 4:4:4 chroma subsampling for top-level PC gaming or using your HDTV as a PC monitor.

Built-In PoC Technology Provides Receiver Power to Avoid Bulky External Power BricksBuilt-in Power over Cable (PoC) technology powers the low-profile receiver over Cat6 cable. Green and orange LEDs on both the transmitter and receiver will light up to indicate the system is receiving power and a signal is being transmitted.

Plug-and-Play Operation for Quick Setup and Immediate UseThe included transmitter and receiver units work right out of the box with no software required. Mounting hardware is included for installing the units on walls, poles or 19-inch racks. Connect the transmitter to the source with a DisplayPort cable

Highlights

- Supports UHD resolutions up to 4K @ 60 Hz (4:4:4) for crystalclear video
- Power over Cable (PoC) technology provides power to the receiver via Cat6 cable
- Carries High Dynamic Range (HDR) signals for rich contrast and expanded color accuracy
- Transmitter's local HDMI port allows you to see the Ultra HD image being displayed
- Plug-and-play operation with no software required for easy, immediate installation

Applications

- Connect a media server, cable/satellite box, gaming system or other home theater component to a large-screen 4K television or projector
- Upgrade the video quality of your trade show presentation or digital signage installation in a commercial or educational setting to 4K x 2K

System Requirements

- Source device with DisplayPort output (media server, laptop)
- Display device with HDMI input (HDTV, projector, monitor)

Package Includes

- Transmitter unit
- Receiver unit
- External power supply (Input: 100–240V)
- (4) International plug adapters (North America, Europe, U.K. and Australia)
- Mounting hardware
- Owner's manual

(Tripp Lite P580-Series) and the receiver to the display with an HDMI cable (such as Tripp Lite's P568- or P569-Series). Then, connect the two units using Cat6 patch cable (Tripp Lite N202-Series). Connect an optional display to the transmitter's local HDMI output to monitor the image connected to the receiver up to 125 feet away.

TAA-Compliant for GSA Schedule PurchasesThe B127-1A1-DH is compliant with the Federal Trade Agreements Act (TAA), which makes it eligible for GSA (General Services Administration) Schedule and other federal procurement contracts.
