

3-wire Male to Male Cable - 15 cm

PID: MIKROE-4934

3 position cable assembly used for connecting a [Turbidity Sensor](#). This cable is 150mm long and has two 2.5mm spaced connectors at its ends.

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
ISO 14001: 2015 certification of environmental management system.
OHSAS 18001: 2008 certification of occupational health and safety management system.

ISO 9001: 2015 certification of quality management system (QMS).
