

Universal Monitor Riser

MODEL NUMBER: MR1612

Raises your monitor incrementally up to 5.25 inches above your desk, table or workspace's surface to help ease eye and neck strain and free up valuable space. Ideal for laptops, monitors or printers.

Description

The MR1612 Universal Monitor Riser frees up valuable space on your desk, table or workstation by placing your monitor from 1.25 to 5.25 inches above the surface. Use the included short and long leg segments to create a height that's comfortable for you. Ideal for home or office, the MR1612 helps ease eye and neck strain. You can also use it for laptops and printers. The riser's extra-large 15.5 x 11.25 inch platform supports up to 40 pounds. Rubber feet secure the riser in place on smooth surfaces. Assembles in just a few seconds.
