HDMI Right Angle Female/Female Coupler

Description

Tripp Lites Right Angle HDMI coupler allows you to route your HDMI cables in tight areas without putting undo bending stress on your cables. HDMI cables have a very shallow bend radius, and conductors are easily damaged when cables are bent at an extreme angles. This adapter saves your expensive HDMI cables from unnecessary wear and tear, while maintaining the highest video and audio quality. Gold plated connectors and contacts support up to 1080p resolution.

Features

- HDMI Right Angle Female / Female Coupler Gender Changer
- Thick Thermoplastic Molding for long life use
- Gold plated connectors and contacts
- HDMI v1.3 and v1.4 compliant
