

Features

- 3-in-1 stud, metal and AC voltage detector
- Ergonomically designed for comfort and grip
- Bargraph allows for quick and accurate detection
- Easy operation
- Auto power off
- Includes battery

Specifications

Detection Depth

Stud:	Up to 0.98" (25mm)
Metal:	Up to 2.56" (65mm)
Voltage:	Up to 1.96" (50mm)

General Specifications

Display:	LCD Display with bargraph
Auto Power Off:	Yes (after 20 seconds)
Low Battery Indicator:	Yes
Power Supply:	9V Battery
Product Certifications:	CE
Operating Temperature:	19.4 to 104°F (-7 to 40°C)
Storage Temperature:	-4 to 122°F (-20 to 50°C)
Dimensions:	6.3 x 3.2 x 1.3" (159 x 82 x 32mm)
Weight:	7.2oz (203g)

Model	Description
R9090	Stud, Metal and Voltage Detector
CA-05A	Soft Carrying Case
