Split Door Retrofit Kit *SDRK Series*

The SDRK is a retrofit kit for existing **C4** and **H1** server cabinets. We've redesigned our split door latch for improved in-field performance.

- The kit includes:
  - Two (2) injection-molded lock-rod clips.
  - Two (2) stainless steel door stop brackets.
  - Installation Hardware
- Takes minutes to install.
- TAA compliant for GSA Schedule purchases.
- RoHS and REACH compliant
- Manufactured in North America

Part No.	SDRK
