

485FN - Flat Nose Plier

Product Description

A flat nose (duck bill) version of our Model 485 Long Nose Plier. Flat, smooth blades are perfect for wire bending or forming operations.

As with all Xuron® brand pliers, the model 485FN offers ergonomically shaped grips and a return spring for comfort and control while working.

Key Features

- Thin profile for access into high density areas
- Radiused outside edges that won't damage or scar wire.
- Rubber handle grips provide user comfort
- Made in the USA
