

9200 - Tapered Head Micro-Shear® Flush Cutter

Product Description

The next generation Micro-Shear® Flush Cutter. Manufactured from tough alloyed steel with state of the art heat treating and ultra-precise CNC grinding to create the ultimate shear cutter.

Tapered head design is perfect for cutting soft wire up to 14 AWG (1.6mm). Strong enough to cut prongs for stone settings.

Key Features

- Tapered head design allows positioning; even on fine pitched leads.
- Strong enough to cut prongs for stone settings.
- Soft Xuro-Rubber™ grips and Light Touch™ return spring add comfort and control.
- Flush cuts soft wire up to 14 AWG (1.6mm)
- Made In USA
