

USB 2.0 A to Micro-B Coiled Cable (M/M), 6 ft. (1.83 m)

MODEL NUMBER: **U050-006-COIL**

Connects high-speed USB 2.0 mobile devices with a USB Micro-B port to your computer, laptop or other compatible USB-A device. Ideal for smartphones, tablets and digital cameras.

Description

The U050-006-COIL USB 2.0 Hi-Speed A to Micro-B Coiled Cable (M/M) connects your computer, laptop or other compatible USB-A device to a high-speed USB Micro-B mobile device. Ideal for charging and syncing smartphones, tablets and digital cameras, this 6-ft. (1.83 m) cable is excellent for multimedia and other high-end applications that require fast, clear transmission free of line noise and other interference. This cable supports data transfer rates up to 480 Mbps for both low- and high-speed devices. The specially coiled cable takes up much less space than a regular 6-ft. (1.83 m) cable. It also resists tangles and knots, making it convenient to store in your car or carry in your purse, backpack or laptop bag. Molded nickel-plated connectors ensure excellent conductivity. Integral strain relief ensures the cable and connectors last a long time. A rugged PVC jacket protects twisted 28 AWG data lines and 24 AWG power lines.

Features

Connect and Power Your Mobile Devices

- Ideal for charging and syncing smartphones, tablets and digital cameras
- Excellent for multimedia and other high-end applications that require fast, clear transmission free of line noise and other interference
- Supports data transfer rates up to 480 Mbps
- Backward compatible with earlier USB generations

Coiled to Take Up Less Space than Regular 6-ft. (1.83 m) Cable

- Resists tangles and knots
- Stores perfectly in car, purse, backpack or laptop bag

First-Rate Construction for Superior Signal Transfer

- Molded nickel-plated connectors for optimal signal quality
- Integral strain relief for long life
- Twisted 28/24 AWG data/power lines

Highlights

- Supports data transfer rates up to 480 Mbps
- Molded nickel-plated connectors
- Twisted 28/24 AWG data/power lines
- 6-ft. (1.83 m) cable is coiled to take up less space

System Requirements

- Digital device with USB Micro-B female connector

Package Includes

- U050-006-COIL USB 2.0 Hi-Speed A to Micro-B Coiled Cable (M/M), 6-ft. (1.83 m)

- Flexible PVC jacket easy to install in tight spaces
