

# WXDV 120

Product no.: T0051320499N

## Benefits

### Technical Data

|   |                      |
|---|----------------------|
| Active Tip heating element technology     | ---                  |
| Power Response heating element technology | ---                  |
| Silver Line heating element technology    | ---                  |
| Voltage                                   | 24 V                 |
| Power                                     | 120 W                |
| Tip range                                 | XDS, XDSL            |
| Supply unit                               | WXD 2, WXR 3         |
| WX-compatible                             | on                   |
| Temperature range °C                      | 100 - 450            |
| Temperature range °F                      | 200 - 850            |
| Heating time                              | 32                   |
| Safety rest                               | WDH 40 (T0051515399) |
| Safety rest (optional)                    | WDH 40 (T0051515399) |
| Barrel                                    | ---                  |
| Integrated direct extraction              | ---                  |
