

HAP 200 Set

Product no.: T0052711799N

Benefits

- › HAP200 Series Hot Air Pencil
- › Must be used on Channel 1 of the WR3M rework system
- › Cannot be used with the WR2 rework systems
- › Use with optional WRK Weller Repair Kit
- › ESD Safe

Technical Data

Active Tip heating element technology	---
Power Response heating element technology	---
Silver Line heating element technology	on
Voltage	24 V
Power	200 W
Tip range	F, R, D, Q
Supply unit	WR 3M, WR 3ME
WX-compatible	---
Temperature range °C	50 - 550
Temperature range °F	150 - 950
Heating time	---
Safety rest	WDH 30 (T0051515299)
Safety rest (optional)	WDH 30 (T0051515299)
Barrel	---
Integrated direct extraction	---
