

# WX2

2-Channel Power Unit, 200 W (255 W)  
Product no.: WX2N

## Benefits

- › Innovative operation concept
- › Robust touch screen with ESD safe glass
- › Intuitive use with turn-click-wheel with enter key and finger guide.
- › Blue LED backlighting
- › Multilingual menu navigation
- › High functionality
- › No safety rest with Stop & Go function needed thanks to integrated acceleration sensor
- › Optimized precision, better stability by sensor in the soldering iron
- › Specific parameterization of tool by storage medium in hand piece
- › Visual process control via blue LED ring light

## Technical Data

|  |  |
|--|--|
| Dimensions L x W x H (mm)              | 174 x 154 x 135                          |
| Dimensions L x W x H (inches)          | 6,85 x 6,06 x 5,31                       |
| Weight (approx.) in kg                 | 3.45                                     |
| Voltage                                | 120 V                                    |
| Power                                  | 200 W (255 W)                            |
| Channels                               | 2  |
| Temperature range (depends on tool) °C | 100 - 550                                |
| Temperature range (depends on tool) °F | 210 - 999                                |
| Temperature accuracy °C                | ±9                                       |
| Temperature accuracy °F                | ±17                                      |
| Temperature stability °C               | ±2                                       |
| Temperature stability °F               | ±4                                       |
| Equipotential bonding socket           | Via 3,5 mm pawl socket on back of device |
| Display                                | 255 x 128 dots / Backlighting            |
| Air consumption l/min                  | ---                                      |
| Operating pressure in bar/psi          | ---                                      |
| Capacity l/min                         | ---                                      |
| Vacuum                                 | ---                                      |
